

CENTRAL FLORIDA REGIONAL HOSPITAL

# COUNT ON US

*for all your family's health and wellness needs*

Since 1982, Central Florida Regional Hospital has delivered quality, compassionate care to residents of Seminole and west Volusia counties. A community leader for comprehensive emergency and cardiac treatment, we offer a full range of medical, surgical, diagnostic and maternity services.

- Level II Trauma Center
- The *only* full-service heart program in Seminole and west Volusia counties
- Accredited Chest Pain Center with PCI
- Certified Primary Stroke Center
- Surgical services ranging from open heart surgery to advanced orthopedic and neurosurgery to minimally invasive robotic surgery
- 24/7 emergency care at our main campus in Sanford and at Oviedo ER
- **COMING JANUARY 2017:** Oviedo Medical Center, a full-service acute care hospital coming to east Seminole County
