EMERGENCY FOCUSED. LAKE MARY CENTERED.

Say Hello to Lake Mary's first all-access, ER-focused facility. Here, you'll find the same high level of critical care found in our other Florida Hospital Emergency Departments along with rapid assessment zones for minor emergencies, overnight observation beds when extra monitoring is required, nearby access to Florida Hospital Altamonte's full range of services, and much more. It's expert, emergency-focused care, centered on the needs of North Seminole families.
